

Information for a minor, other impaired, foreign shareholder (or person who acts on his behalf) and a person does not have bank IDs or mobile certificate for strong electronic identification

A (i) minor, (ii) an impaired person, (iii) a foreign shareholder or (iv) a person who doesn't have bank IDs or mobile certificate but who has a Finnish book-entry account may register through the electronic registration service offered on the company's website using their identification number (Finnish personal identification number or X ID). In addition, the number of book-entry account number where the shares are held is required. Individual identification number and book-entry account number can be found on the account statement of the book-entry account, among other things.
